Young Audiences  
Arts for Learning

New Jersey & Eastern Pennsylvania

**YOUNG AUDIENCES** partners with schools, parents, artists, and funders to provide the best arts education for our children.

With YA programs every child will **EXPERIENCE** extraordinary art and artists, **UNDERSTAND** the value of art and creativity in the world, **CREATE** art that engages the imagination and expresses ideas, and **CONNECT** art and the creative process to life and learning.

## Always Be a Part of Young Audiences

A planned gift to Young Audiences New Jersey & Eastern Pennsylvania is an act of generosity, imagination and foresight: it can be a way to ensure your legacy by making arts education experiences possible for generations of students, teachers and families.

## Gerda Kelly

**"I can't imagine living in a world without the arts. I support Young Audiences because children need the arts in their lives – now and in the future."**

Gerda Kelly and her husband John were first introduced to Young Audiences in the 1970s by a friend who took them to see a YA artist in a school. Now 95, Gerda still remembers the children and how their faces lit up while they watched the live performance. Gerda continues her annual support to YA and chose to make a bequest in her estate plans. She believes that arts education makes better people and a ultimately a better world.
